UNIQUENESS

I have something valuable to give to the world!

We are each as unique and valuable as the other. It was designed that way. It is a gift from God. When you do what you do, exactly the way you do it, you are sharing God's gift, entrusted to you, for the good of the world. You are unique and you need to keep your light turned on. The gift God gave you in not only for the world. The gift is also for you.

Proverb 18:16 A man's gift maketh room for him, and bringeth him before great men.
