World Peace

In this real world true love should exist

However what we see now appears as a mist.

We're busy fighting and slandering one another

when we should be lifting and carrying our brother.

We should live in a world filled with love and peace;

and perhaps some of this nonsense will finally decrease.

Let's come together and join hand in hand,

It's divided we fall and united we stand.

Let's stand tall locked arm in arm

and avoid causing one another so much harm.

I know we will, I know we can

Enjoy the beauty of God's ultimate plan.

Let's live in a world filled with peace and love.

It starts with us but it comes from above.

John 13:34 "A new commandment I give to you. That you love one another, as I have loved you, that you also love one another".
