JUST STOP TO SAY THANK YOU

Some people pass your way
You may never even know why
Some people you grow to love
As minutes together slip by.

Some people are always there
To encourage and make you see
That you are someone special
When you feel that cannot be.

Some people are like angels
Encouraging you on each day
They see something that you may not
In a kind word or deed you say.

Some people are ministering angels
Sent straight from heaven above
Just remember to always thank them
When they reach out to you in love.
