### Send A Drop Of Kindness

Poet: Julie Hebert, ©2012

Send a drop of **kindness**,  
And see a happy face.  
A drop of kindness goes real far,  
It may even reach outer space.

Send a drop of **love**,  
And feel a loving embrace.  
It feels so good to feel like,  
You are in the right place.

Send a drop of **hope**,  
But be that shining star.  
Hope is wonderful to have,  
But sometimes you can't sit away so far.

Send a drop of **faith**,  
With a single prayer.  
And God will show the way,  
As faith is always there.
