

# CHAPLAIN CHAT

Why Are You?

Who Are You?

Life, Purpose, Think!

Have you ever stopped to think about who you are, and how you got to be who you are?

Have you wondered how it is you got through all the things you have been through?

Have you ever thoroughly considered your own life?

Let other lead small lives, but not you, let other argue over small things, but not you, let others cry over small hurts, but not you.

Let others leave their future in someone else's hands, but not you.

Take charge of your own life don't let others manipulate you in doing things that you know are wrong to do. Always do right!! This will gratify some people and astonish others and Bless more people than you can imagine.

Because we Care
